

Dear Member,

I know we are all concerned about the coronavirus and to protect our members we have decided to cancel our main meeting this month and all future main meetings until further notice.

We are also cancelling the last two renewal sessions at Leigh Community Centre due to be held on Tuesday 17th March and Tuesday 31st March. If you are able to download the renewal form from our website, our Membership Secretary, Esther Gilbey, will be happy to renew your membership by post if you enclose the form, a cheque and a stamped addressed envelope so that she can send you your new membership card. All the details are on the form. If you are unable to print it, then please don't worry, we will continue with our membership renewal at a later date, when this situation resolves itself.

If you are a Group Contact and would prefer to cancel interest group meetings for the foreseeable future, then please do so and inform your group members of your decision.

Please check your emails regularly for any future developments.

Best wishes,

Lorna Reeve  
Vice Chairman  
Leigh Estuary U3A
