### GROUP NEWS

#### **Bed Making**

This group will re-learn how to make beds every morning as you wake using bed sheets in the old fashioned way, remember those folded corners? Those members still using bedsheets every day can join the advanced class to learn how to fold a towel to make those crazy creations that hotels place on your bed each day.

#### **Counting people**

For those that cannot sleep, just sit by the window counting how many people pass by. If you find you need more than one hand to count then please report to the authorities; that is if you haven't dozed off by then.

#### **Garage Cleaning**

Bite the bullet and clear out 30 years of hoarded rubbish. Just make sure you do it bit by bit otherwise it won't all fit in that black sack (as remember the council tip is closed)

#### **From friends in the USA**

##### **The Church Ladies bulletins**

**Thank God for the church ladies with typewriters. These sentences actually appeared in church bulletins or were announced at church services:**

Irving Benson and Jessie Carter were married on October 24 in the church. So ends a friendship that began in their school days.

A bean supper will be held on Tuesday evening in the church hall. Music will follow.

At the evening service tonight, the sermon topic will be 'What Is Hell?' Come early and listen to our choir practice.

#### **And some from our friends in Canada:**

**A hole has been found in the nudist-camp wall. The police are looking into it.**

**Time flies like an arrow. Fruit flies like a banana.**

**Atheism is a non-prophet organization.**

**Two hats were hanging on a hat rack in the hallway. One hat said to the other: 'You stay here; I'll go on a head.'**

#### **Tommy Cooper quips:**

A man walked into the doctor's, the doctor said 'I haven't seen you in a long time' The man replied, 'I know I've been ill'.

A man walked into the doctor's, he said 'I've hurt my arm in several places'. The doctor said 'well don't go there any more'.

So I knocked on the door at this Bed & Breakfast and a lady stuck her head out of the window and said: 'What do you want', I said, 'I want to stay here'. She said, 'Well stay there' and shut the window.

## RAIN by Dee Gordon

I only went into the art gallery to escape the downpour. And there he was. The one.

Until then, I'd never believed in love at first sight. It was ridiculous. I knew nothing about him. He wasn't even good-looking. He was obviously artistic, studying the canvases closely, slowly, with interest.

Dare I approach him? I wasn't shy – just afraid that someone that intellectual would regard me with indifference, even distaste.

He must have felt my gaze, because he turned round. "I hope you're not going to ask me anything about art." He smiled. "I'm only sheltering from the rain."

**The first person to buy fish and chips on the seafront after lockdown**

Cycled to the local shop for a bottle of gin so we didn't run out during the lockdown, but as I put it in my basket I thought, what if I fall off my bike & break it?

So I drank it all outside the shop

Good thing I did, I fell off the bike 7 times on the way home
