### Extracts of letters received from residents by their local council:

It's the dog's mess that I find hard to swallow.

I wish to report that tiles are missing from the outside toilet roof. I think it was bad wind the other day that blew them off.

I want some repairs done to my cooker as it has backfired and burnt my knob off.

I am writing on behalf of my sink, which is coming away from the wall.

I wish to complain that my father twisted his ankle very badly when he put his foot in the hole in his back passage.

My lavatory seat is cracked, where do I stand?

Their 18 year old son is continually banging his balls against my fence.

Where would you find a tortoise with no legs? Exactly where you left it.

We just had a food delivery from Waitrose. I'm a bit concerned about its Covid-19 hygiene processes. The plaice fillets were only 'lightly dusted'.
