

Leigh U3A Jan 2021

Primary Care Network's (PCN)

Leigh is covered by the SS9 PCN that includes the following GP Surgeries:

- Dr Krishnan
- Highlands Surgery
- Eastwood Group Practice
- Pall Mall Surgery
- The Leigh Surgery

The PCN Operational Manager is Julie Styles

Additional staff working for patients in the PCN area are:

Clinical Director	2 p/t
Operational Manager	1 p/t
Social Prescriber	1
Clinical Pharmacists	2.6
FC Physiotherapist	2.5
Care Coordinators	1
Total No New posts	9.1

Descriptions of these posts can be found at the STP Website:

<https://www.msehealthandcarepartnership.co.uk/our-work-in-partnership/care-in-your-neighbourhood/>

Each Surgery is contracted to run a Patient Participation Group (PPG). Some are more active than others. They discuss recent issues in connection with the Practice and members help out at medical events, helping martial patients through a flu injection session or raise funds for equipment like defibrillators.

The PPG nominates a representative to serve on the CCG Patient and Communities group. This meets every 2 months and can take on board questions raised at PPG meetings.
