[C] Strolling, just **[B7]** strolling,
 In the **[Dm]** cool of the **[A7]** evening **[Dm]** air,
 I don't **[C]** envy the rich in their **[F]** automobiles,
 For a **[D7]** motor car is phoney –
 I'd **[G7]** rather have Shanks's pony,

When I'm **[C]** strolling, just **[B7]** strolling,
 By the **[Dm]** light of the **[G7]** moon a **[C]**bove,
 Ev'ry night I go out **[F]** strolling,
 And I **[C]** know my luck is **[Am]** rolling,
[D7] When I'm **[C]** strolling
[Am] with the **[Dm]** one **[G7]** I **[C]**love**[G7]**.
