

THE STORY OF MY LIFE

C **F**
 Someday I'm gonna write,
C **F**
 The story of my life
C **G7**
 I'll tell about the night we met
F **G7**
 And how my heart can't forget
C **F** **C** **G7**
 The way you smiled at me

C **F**
 I'd like the world to know
C **F**
 The story of my life
C **G7**
 The moment when your lips met mine
F **G7**
 And that first exciting time
C **F** **C** **C7**
 I held you close to me

F **C**
 |: The sorrow when our love was breaking up
F **C**
 The memory of a broken heart
F **C**
 Then later on the joy of making up
D7 **G7**
 Never never more to part

C **F**
 There's one thing left to do
C **F**
 Before my story's through
C **G7**
 I've got to take you for my wife
F **G7**
 So the story of my life
C **F** **C** **C7**
 Can start and end with you :|

C **F**
 Can start and end
C **F**
 Can start and end
C **F** **C**
 Can start and end with you (Sharp Stop at end)
